Forwarding attached -FYI- copy of Title V, "Science, Technology, and American Diplomacy", which currently is an amendment to the Foreign Relations Authorization Act, FY 1979, scheduled for mark-up on Thursday, 4 May by the House Committee on International Relations. (Note: the amendment formerly took the form of a bill, H.R. 11548, a bill to establish a national policy for the application of science and technology to United States foreign policy; hearings were held on H.R. 11548 before the Subcommittee on International Operations on 19 April.) On 1 May the Subcommittee adopted Title V in toto. This office has been following the amendment and has drafted appropriate amendments thereto. If you have any comments we'd be happy to discuss the issues with you.
